Irish National Stud & Gardens, Tully, Kildare, Co. Kildare

# Hours of pure freedom KICK BACK TO NATURE WITH OUR INTERACTIVE SCHOOL TOURS

# THE WONDER OF HORSES

## FROM FOAL TO LEGEND

PROVIDING A UNIQUE OPPORTUNITY FOR SCHOOL CHILDREN TO GET UP CLOSE  
TO HORSES AND WILDLIFE IN A RELAXED AND NATURAL ENVIRONMENT

### Ireland is famous for producing the best horses – and the best people to care for them.

Come and learn about this fascinating industry and watch the children interact on a 45-minute tour of a working stud farm. Afterwards they'll enjoy a fun, activity session in our classroom where they can touch and try on our range of equestrian equipment. Visit the Irish Racehorse Experience and interact with our virtual racehorse, hear from some of the important people in the industry from the trainer to the jockey and enjoy a quick quiz with spot prizes and handouts ensuring a full day of fun.

Our tour guides will show them the journey each foal will make from birth to the racehorse. Meet our Living Legends and learn how to care for them, what they eat, how far and fast they travel and how quickly they learn. Teachers can enjoy our beautiful surroundings knowing the children are in safe hands and being happily entertained.

### MEET THE LIVING LEGENDS

Five famous retired racehorses whose amazing stories will be brought to life with some wonderful memories of their famous races.

Our school tours cover curriculum based themes including Animals and Living Things, Maths, Materials, Environmental Awareness and Care
